PRIORITY REGISTRATION INFORMATION

As a member of RBCPC and/or a currently enrolled family in our Funtastic or Preschool program you are offered "priority registration" for the 2010/2011 school year. Priority Registration will take place over a 3 day period, with children who turn five prior to December 2nd registering February 24, and all other children registering February 25 & 26. Please carefully read the information below for details of the Priority Registration Process.

Program Options for Children turning 5 on or before December 2, 2010

Monday-Thursday 8:30 - 11:30 or 12:30 - 3:30
Monday/Wednesday/Friday 8:30 - 11:30 or 12:30 - 3:30

Registration for these "5 year olds" will be in the Preschool Office on Wednesday, February 24 beginning at 8:00am. Due to facility limitations, we can only offer one morning four day class and two afternoon four day classes. However, in combination, these four day classes are expected to provide adequate class spaces for all five year olds expected in our program. Be aware that because morning spaces in our four day class are particularly limited, these spaces traditionally fill up quickly. This year we are intentionally balancing the four day classes with four year olds and five year olds. A percentage of the class spaces will be reserved for each age group. Please consider remaining open to all of our five year old class options.
